

Introducing Nortec-Hovmand A/S work-shop in Humlebæk

Nortec-Hovmand A/S is an innovative, international company that manufactures mobile units for the polyurethane foaming and spraying industry. The PU machines are designed as modular systems based on high quality components. The Nortec-Hovmand PU machines are being marketed all over the world.

The company was founded in 2014 when HOVMAND A/S sold their PU business to Nortec-Cannon A/S. Nortec-Cannon A/S is one of the leading full service suppliers of machinery and turnkey plants for the polyurethane manufacturing industry.

HOVMAND A/S has manufactured polyurethane and polyurea machines for more than 40 years.

Nortec-Hovmand A/S represents in the Nordic countries GAMA SPRAY EQUIPMENT, who is a leading producer of spray equipment.

Nortec-Cannon A/S and Nortec-Hovmand A/S are both based in Humlebæk north of Copenhagen with main offices, production and work-shops. We also have a work-shop in Veflinge on Funen. Nortec-Hovmand offers high qualified technical service. We introduced our work-shop in November 2014 where we offer service and maintenance of Hovmand PU machines.

Nortec-Hovmand machines are designed to be used in the toughest conditions and are renowned for their reliability and durability.

To keep your machines working we carry a stock of genuine quality spare parts, service kits and parts for most of the models in operation and we do our best to ensure that our customers receive the required assistance within the shortest possible response time.

Our Technical Engineering and Service Department is always ready to assist you regarding service and maintenance. Good service starts with a precise and professional instruction of operators and a training programme can be included in delivery of a PU machine.

We offer high quality service and maintenance of machines in our work-shop in Humlebæk and our Engineering and Service Department offers an all-round service including telephone support, trouble shooting, technical advice, development and maintenance.

We aim to offer excellent service and value for money to all our customers and look forward to serve you in future. We wish you all the best for a great 2015.

Best Regards

Nortec-Hovmand A/S
